**ON BEHALF OF THE SENIOR CLASS OF 2005 WE
WOULD LIKE TO ANNOUNCE THE DEDICATION OF OUR
YEARBOOK TO:**

~MR. STEVEN GOODE~

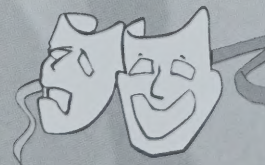

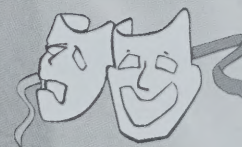

"A leader takes people where they want to go. A great leader takes people where they don't necessarily want to go, but ought to be."

-Rosalynn Smith Carter

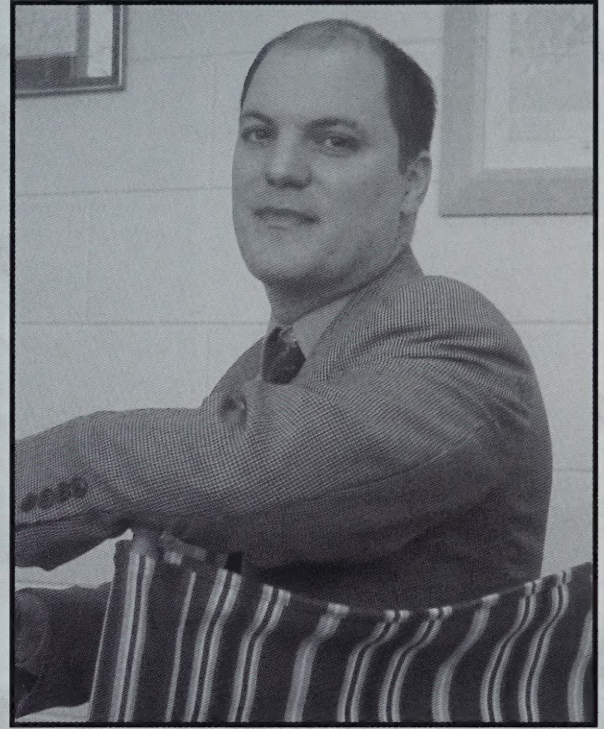

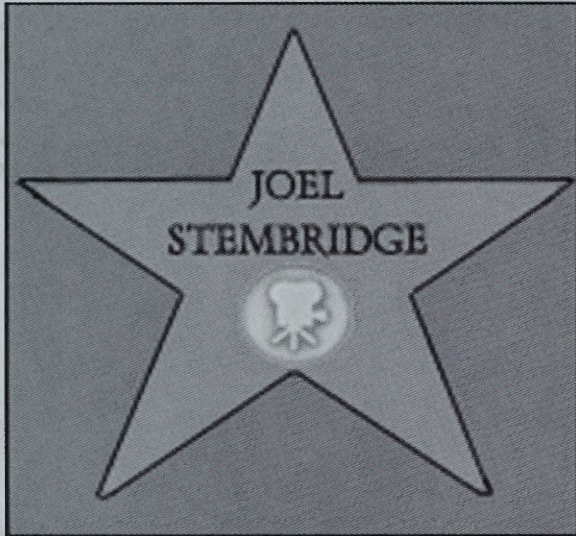

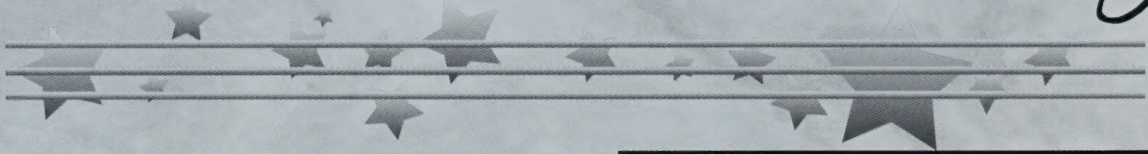

You took us in when no one else would and embraced us with open arms. Through good times and bad you were always there for us. Day or night you continuously made yourself available and did everything in your power to help make this year a successful one. Your dedication to the students and your determination to make our school a better place have helped us to open our eyes and become "better looking". You never let us settle for less and you showed us which bridges to cross and which ones to burn. Without you none of this would have been possible. When our issues weren't urgent you still listened and assured us that they were important. We'll never forget your lessons on the relationship between character traits and environment. As we leave our school, the legacy you have helped us build will remain with us, as we move on to the next chapter in our lives, we will bring with us the lessons you have taught us.

With great respect and admiration we the Class of 2005 would like to thank you, Mr. Goode from the bottom of our hearts. This one's for you!

Senior Class

Director's Commentary

Dear Class of 2005,

It is with great pride that I congratulate you on tremendous achievement of graduation from the John D. O'Bryant School of Mathematics and Science. You have truly risen to the challenge and face every adversity with class and aplomb. Your legacy of a commitment to your studies, you teachers, and your school will become a foundation for future classes upon which to build.

I have been especially fortunate to get to know a great many of you in the short time that we have been together. You are an inspiration to all of us- we are very proud to work with the students of the John D. O'Bryant!

As you transition to your adult lives, it is vital that you remember the lessons that you have learned here- that hard work is more important than luck, that we can accomplish together that which none of us can accomplish alone, and that community and family are more important than all. Your preparation at the O'Bryant will serve you well, and we look forward to seeing what the future holds for you. Be strong, be brave, and walk with confidence. You are truly second to none, and you bring us great pride.

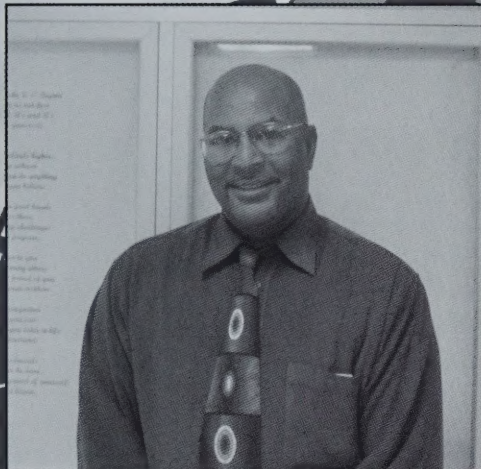

Best Wishes for the future,

Joel Stemberidge

Presidential Address

Dear Class of '05

At last, we have moved from the "minors into the majors." It's been a long, long four years and for some of us, an even longer six years. Even if you didn't enjoy every aspect of your high school career, I can guarantee you will miss something about O.B. From the short lunch periods and locker time restrictions, to the many inside jokes and the school wide lingo, we will all miss O.B. Our hard work, however, has paid off and we should be proud to begin the next chapter in our lives.

I would truly like to thank our senior class advisor, Mr. Goode, for all the help he has given me personally. His advice has truly helped me grow and develop.

Additionally, I would like to thank you all for allowing me the opportunity to serve as your president. It has been an experience that compares to no other. The challenge of representing our class was just that. From the many bake sales and a lot of the behind the scenes decisions, we all have grown in many ways. It has served as a challenge to balance all our responsibilities, but we survived. From the time I crossed the stage to give my candidacy speech, to the time I crossed the stage to get my diploma, I will always cherish the time spent as your President.

At last, it is time to celebrate the real world. Whether you are going into the work force or entering college, we must continue to strive for success. "To accomplish great things, we must not only act but also dream, not only plan but also believe."

-Anatole France

Forever yours,
Francis Pina

BEHIND THE SCENES: ASIAN

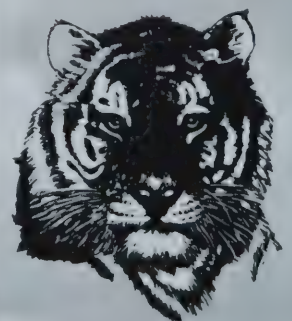

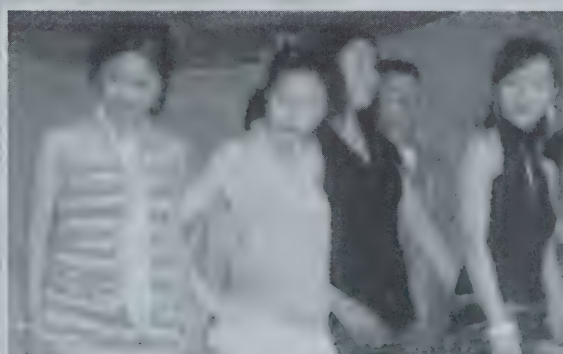

superstar NIGHT BY ACC

O.B.'s Asians Take a Bow

"On the night of May 20th, more than 300 people attended Asian Night. Tickets were sold out and there was such a crowd that chairs were put in the aisles of the auditorium to provide more seats! Kung-Fu was first followed by singing, skits, fashion show, dancing, and whole lot more. Treasurer Luca Shi described the show to be the "best Asian Night ever!". The show was a huge success.

CONGRATULATIONS CAST OF 2005

"People say that when it rains it pours. I can apply this to everyone who is here, and to those who are not here, as well. As you cross the stage tonight, the sky, like many of us, cries tears of joy. And for those comrades who can't be here tonight, the sky like a of us cries tears of sorrow."

Yong "Peter" Zhang

FINAL SCRIPT

PRESENTING THE O.B'RYANT
VALEDICTORIAN OF 2005

TELMA
TAVARES

"Good evening, faculty, parents, honorary guests, and the Class of '05.

Looking back, it's hard to imagine that these four years have gone by so quickly. I recall walking in my freshman year and saying, "I have four more years of this?" However, Standing up here I can truly say from the bottom of my heart, that these have been the best four years of my life.

At times we may have had our differences but we all have something in common. We're all here. We're all going out to face a world where many odds are against us. Let's just face the facts. But if I've learned anything at O'Bryant besides to think outside the box, to an SQ3R (Ms. McClay) and to be focused and engaged (Ms. Bailey), it's that I can overcome anything I put my mind to and so can you. Don't ever let anyone tell you differently. Be who you are, stay true to yourself, live life, meet new people, and at the end of the day just HAVE FUN!! Always keep your head up and be proud.

Regardless of where the road of life may take you, never, ever forget where you came from. O'Bryant is what shaped us; it's what pushed us; it's what made us laugh; it's what made us cry.

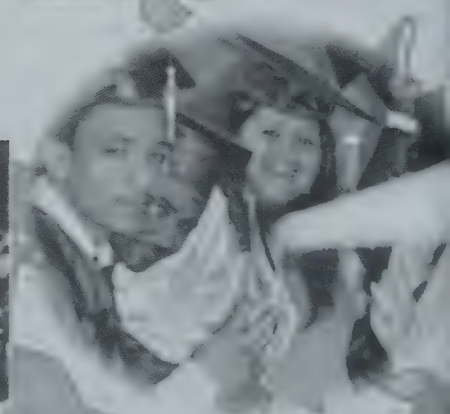

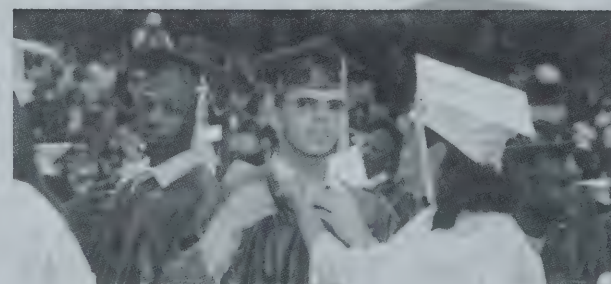

Whatever you choose to do in life ensure that it makes you happy. Work with passion, joy, and optimism. We are a diverse group of students who have so much to give to this world. It's been such a pleasure being in great company. Realize your potential and "be the change you want to see in the world." We can determine what direction we want to go. Strive for the best and never settle for less...

To my creolas and creolos,... we are living proof that our race isn't only constituted by the negativity in the press...

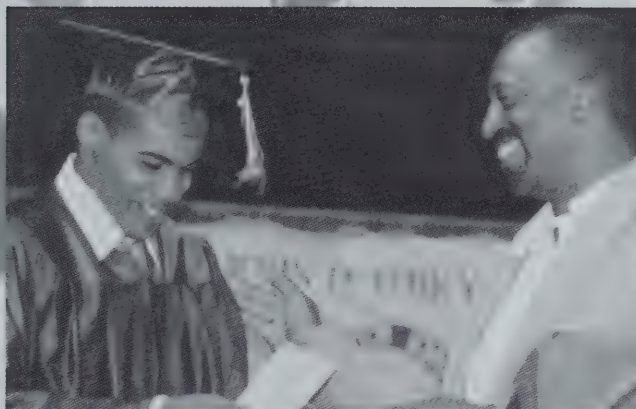

To the Class of '05, We are and always will be the best Class. I will always cherish our memories. Life has much to offer. I know we will greatly impact the future. "It's been real!!!"

Mrs. Coy Gonfa

For all of your help, support, and dedication. Without you none of this would be possible. We had our ups and downs, but we always pulled it together. We hope you'll never forget your 7th period yearbook class of 2005. Whenever we think of you we'll always remember... your singing, taking off your shoes and putting your feet up, catching us in the cafeteria when we should have been in class, and if we ever had to borrow a pen you would always have a few in your hair.

You always kept us motivated , you always kept us working, and you always kept us smiling (except for when we were working!) We'll never forget all that you have taught us. You're a GREAT teacher the BEST of the BEST! THE CLASS OF 05' LOVES YOU! NEVER FORGET!

"The bumps along the way..." The year was long and challenging. The trials and tribulations left some empty spots. With months to go in the school year, the 'supporting cast' stepped up to fill them.

In the end, the bumpy road was paved into a smooth one. The successes of this year are deserving to all the supporters. Congratulations on a successful 'Second Season'.
